## ED'S RED

### Winemaker's Notes

Ed's Red is the creation of Adastra co-owner Edwin Richards. For years Edwin had suffered the frustrating scenario familiar to many wine lovers. You are just looking for a pleasant drink. Often instead, you get the dire or the mediocre.

Edwin's solution to this problem is Ed's Red, a blended wine designed to appeal to those who expect a decent drink.

### Description

An enticing wine, with aromas of plums, cherries, raspberries, vanilla, chocolate and spice. This is a hefty wine, is made to give pleasure any day of the week.

### Serving Suggestion

A versatile wine great for quaffing on its own or with a variety of foods such as those with grilled onions or caramelized shallots. Also great with red sauces.
