

ESPRIT DU VIN

'An occasion for every wine'

PENSIERI MERLOT

Winemaker's Notes

Nicolas Colaneri loves to create images and drawings and see them come to fruition. He has been perceived as contemplating over the drawings he has before him with the model in his hand. There is a great sense of accomplishment that comes from envisioning a project and building it with your own hands. There is a wine glass in the background filled with Merlot for inspiration. He has an admiration for the “Wolverine” character so our designer gave him a “wolverine” beard. The trademark claw marks on the wall behind him show how he lets out his frustrations.

Description

A ruby red gemstone colour with an abundance of black cherry, raspberries and currants on the nose with a touch of smokiness. The palate is all encompassing with cherry, plum and currants. The silkiness and velvety finish clings to your palate and just won't let go.
