MOSCATO D'ASTI LA VITA DOCG

Winemaker's Notes

Soft pressing of whole grapes (collected in 18-kg containers) after a short maceration of skins, static clarification at low temperatures and then filtration and conservation of the must at zero degrees. Partial secondary fermentation of sugars at a temperature of 15°C.

Description

Bright yellow leaning towards golden, with a fragrant, thick, and intense aroma. Sweet, maintaining the typical aroma of the grape, with a refreshing sensation that lingers in the mouth.

Serving Suggestion

Inimitable in its match with desserts, especially those with hazelnuts and almonds. This Moscato is excellent at any time of day, even simply accompanied with biscuits.
