

**An international silvery rain over the
Valdobbiadene DOCG Prosecco Superiore Brut Fagher**
The Decanter WWA and Concours Mondial de Bruxelles medals

Valdobbiadene, 14 July 2017

It's time to update Le Colture summer palmarès! This time the attention is focused on the **Valdobbiadene DOCG Prosecco Superiore Sparkling Brut 'Fagher'** protagonist of an **excellent placement** at two of the most acclaimed international wine competitions, being awarded with **two Silver Medals** at the **DWWA - Decanter World Wine Award and the Concours Mondial de Bruxelles 2017**.

*"The brut 'Fagher' is the most modern version of the sparkling wines produced by our company and the most internationally successful - explains the **marketing manager Alberto Ruggeri** - It is the result of a blend of Glera grapes coming from the vineyards located in Valdobbiadene and Ogliono hills. Thanks to its low residual sugar, 9 gr/liter, a pleasant acidity, good minerality and sapidity, this wine is an excellent interpreter of our philosophy's distinctive features regarding the Prosecco Superiore."*

It is a fresh, young and characterful wine. Its most attractive aspects are enclosed in the inviting sweetness of the scents rich in citrus and fresh vegetable notes, which often combine with a pleasant note of bread and a lively tasting energy. It has a thin perlage that ensures good persistence in the mouth and cleansing of the palate as well as being an additional weapon in food matching. You will appreciate it with fish appetizers and processed vegetables, first courses with seafood and baked fish, or throughout the meal as is usual in the production area,.

Behind every single success there is a united family, a solid team in which everybody has a specific role, each of them working hard with a strong, remarkable passion, showing unchanged respect for a unique territory of inestimable value, which can reward all efforts and sacrifices with an undisputed high quality level.
